Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Sunday 25 Apr 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Some late sunshine this evening. Remaining dry on Monday.

This Evening and Tonight:
A fine and dry evening and night are expected, with clear spells dominating. Turning cold with a chance of frost during the early hours of Monday, mainly in western rural spots. Some patchy cloud along the east coast. Minimum temperature 1 deg C (34 deg F).

Monday:
Another chilly start in places, otherwise a fine and dry day with sunny spells. Feeling cooler along the east coast with an onshore breeze. Maximum temperature 15 deg C (59 deg F).

Outlook for Tuesday to Thursday:
Less settled and colder, with some rain or showers spreading erratically southwards during the period. The showers are likely to be more widespread on Wednesday and Thursday. Some chilly nights.
